ANNUAL REPORT – KESARI DEVI CHARITABLE TRUST

APRIL 2012 TO MARCH 2013

To,

All our stakeholders: Trustees, donors, partners, supporters and volunteers

Dear Friends,

In my previous report I had mentioned that our first priority was to acquire a suitable piece of land for building the school. I am happy to report that we have now achieved this milestone. We have acquired 0.261 Hectare (20.65 *biswas* or slightly over one *bigha*) of land in the village Kosara in the Mirzamurad area, at a total cost of Rs. 30 Lac. This place is some 25 Km to the west of Varanasi, and accessible from AH1 (Grand Trunk Road), located about 1 km from the highway. I thank all our donors whose contributions have made this possible.. We now look forward to raising another Rs. 60 Lac for constructing and furnishing the primary school, to begin with. I appeal to each one of you to help raise the needed funds through your own contributions, but more importantly by seeking corporate support under their CSR policy.

The number of our donors up to March 2012 was 53, and the total funds raised were Rs 24 Lac. During the previous financial year we have added 40 more donors and have raised additional Rs. 13.5 Lac. You will appreciate that this rate of fund mobilization will have to be substantially increased this year. And that can best be done through corporate donations. Please explore the possibilities and let me have the names and address of the persons to be approached.

Thanking you, and looking forward to your continued support.
